Dear Ms. Goldstein,

On October 11, 2013, the California High-Speed Rail Authority (Authority) received a Public Records Act request for the following:

“We are requesting a copy of the Central Valley Project Financial Plan submitted to the FRA prior to the release of the RFP for the first D/B contract AND any updates to that plan.

Under Government Code §6253(a), the Authority invoked a 14 day extension in order to further research your request and make a determination. A determination letter would be sent to you no later than November 2, 2013.

The Central Valley Project Finance Plan is currently in draft form and will not be released under Government Code section 6254 (a).

Please contact the Public Records Act staff at records@hsr.ca.gov with any questions regarding this information.

Sincerely,

Annie Parker
